

SHIP&YACHT ADVANCED TECHNOLOGY
for leisure vessels and ports solutions

Ship&Yacht Advanced Technology for leisure vessels and port solutions

3-4/OCT/19

**Regional Congress Palace
Grado (Gorizia, Italy)**

ARIES
VENEZIA GIULIA

PURPOSE

The Maritime Technology Cluster of Friuli Venezia Giulia Region and Aries are the organizers of **SYAT - Ship & Yacht Advanced Technology**, the first showcase of innovative maritime technologies for passengers mobility with application on vessels (leisure, cruise ferry) and/or infrastructures (commercial ports and marinas).

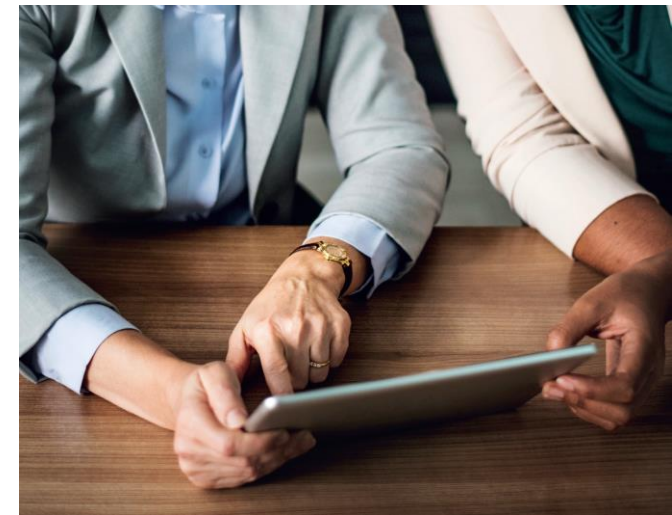

SYAT aims at fostering the growth of the maritime technologies sectors by offering to innovative SMEs and research groups **visibility** and **matching opportunities** with international counterparts and key players, such as ports, shipyards, marinas and design studios, that could find in the showcased innovative solutions valuable answers to their needs.

SYAT focuses to offer visibility and networking opportunities for innovation-related enterprises and research groups, and is structured in:

- **pitch** presentation of new products or prototype,
- **workshops** focused on technology and management topics,
- a **brokerage event** organized by the Enterprise Europe Network with one-to-one meetings,
- an **exhibition area**

International key players of the sector like ports, marinas, and engineering companies, shipyards and boatyards will have the chance to find out in the showcased innovative solutions valuable answers to their needs.

DRAFT AGENDA

2 OCT 19

- 19:00 Welcome happy hour for all participants
- 20:30 Welcome dinner (only for Buyers)

3 OCT 19

- 09:00 Registration
- 09:30 Opening ceremony
